

**Knowledge Building
International Project**
Tomorrow's Innovators

FINDINGS PRESENTATION #1
Elementary School
Quebec-Mexico
Partnership

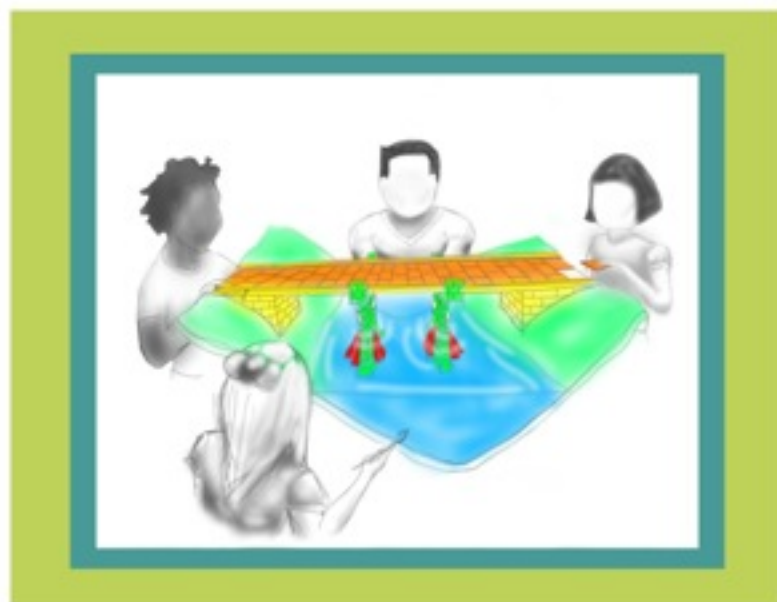

Endangered Species

2013-2014

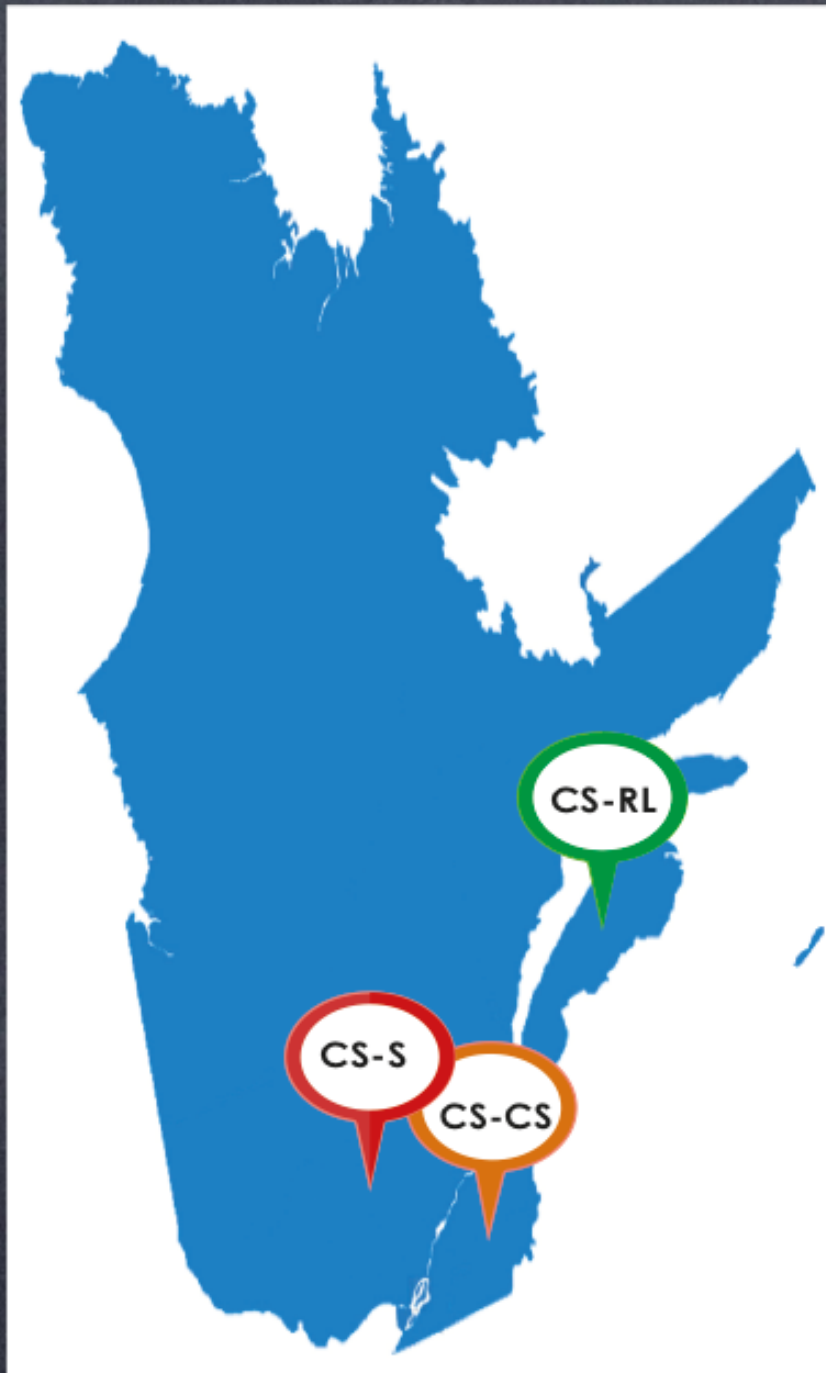

Putting our knowledge together

KBIP
Tomorrow's Innovator

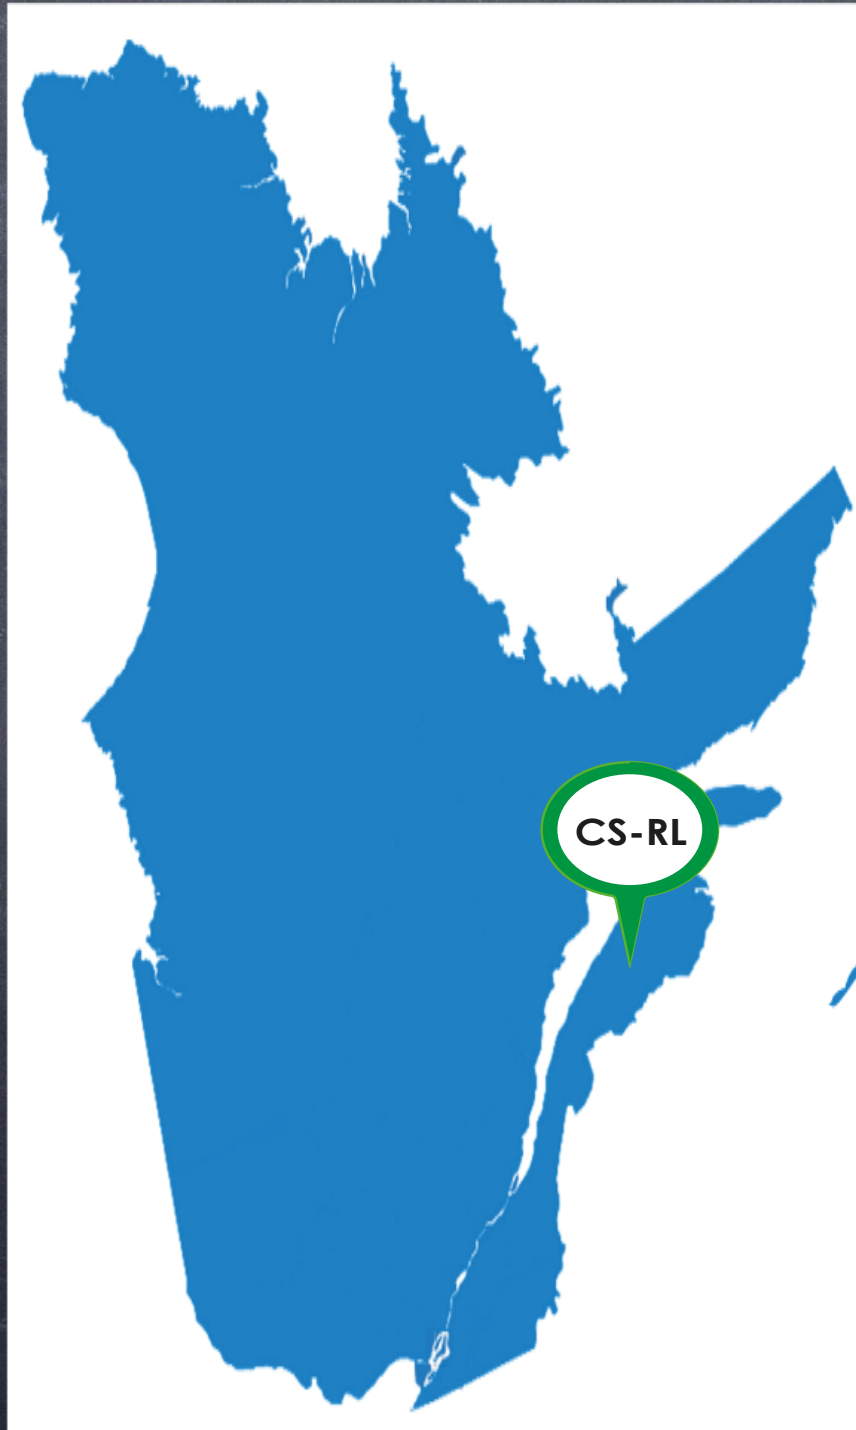

Today's presentations:

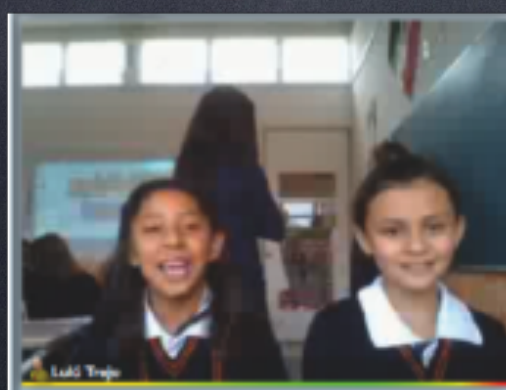

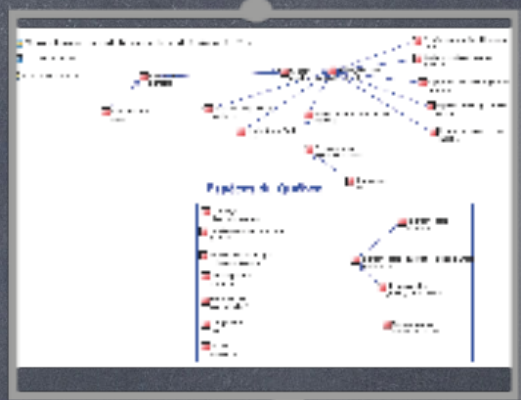

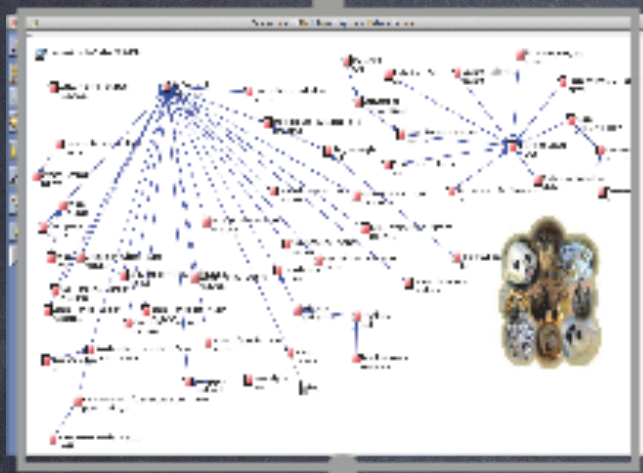

René-Lévesque School Board
Rives-du Saguenay School Board
Côte-du-Sud School Board

Teacher H  l  ne Dufour Ren  -L  vesque School Board

need to understand We talk a lot about the environment and of the importance of getting involved in protecting certain animal species. In Québec, which animal would you like to protect?

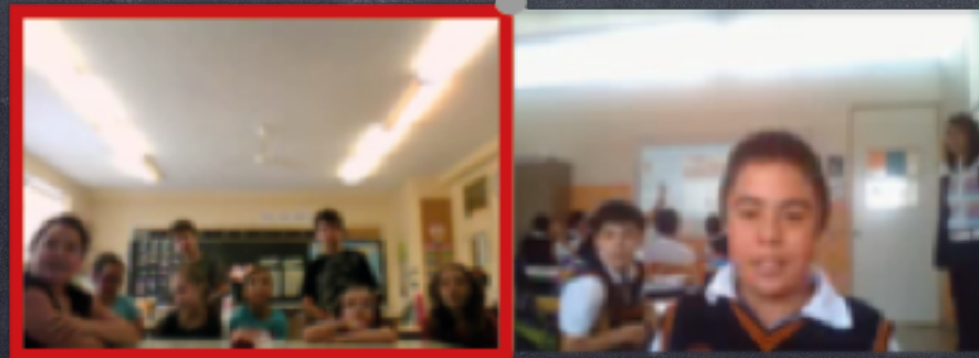

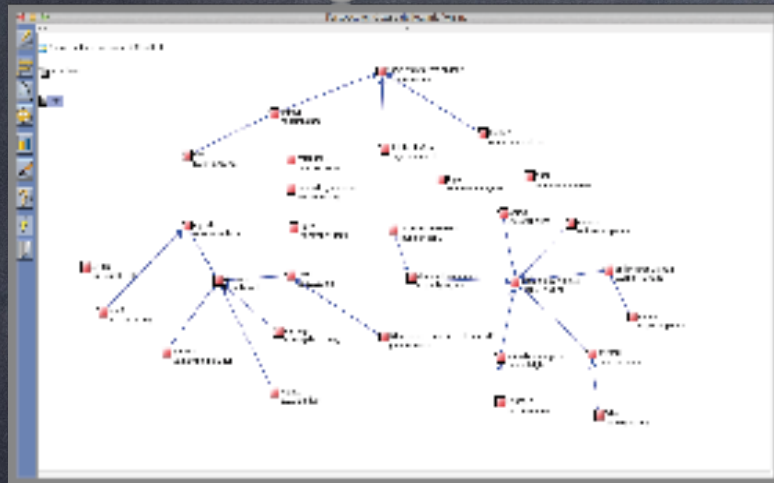

Teacher Joannie Vézina Côte-du-Sud School Board

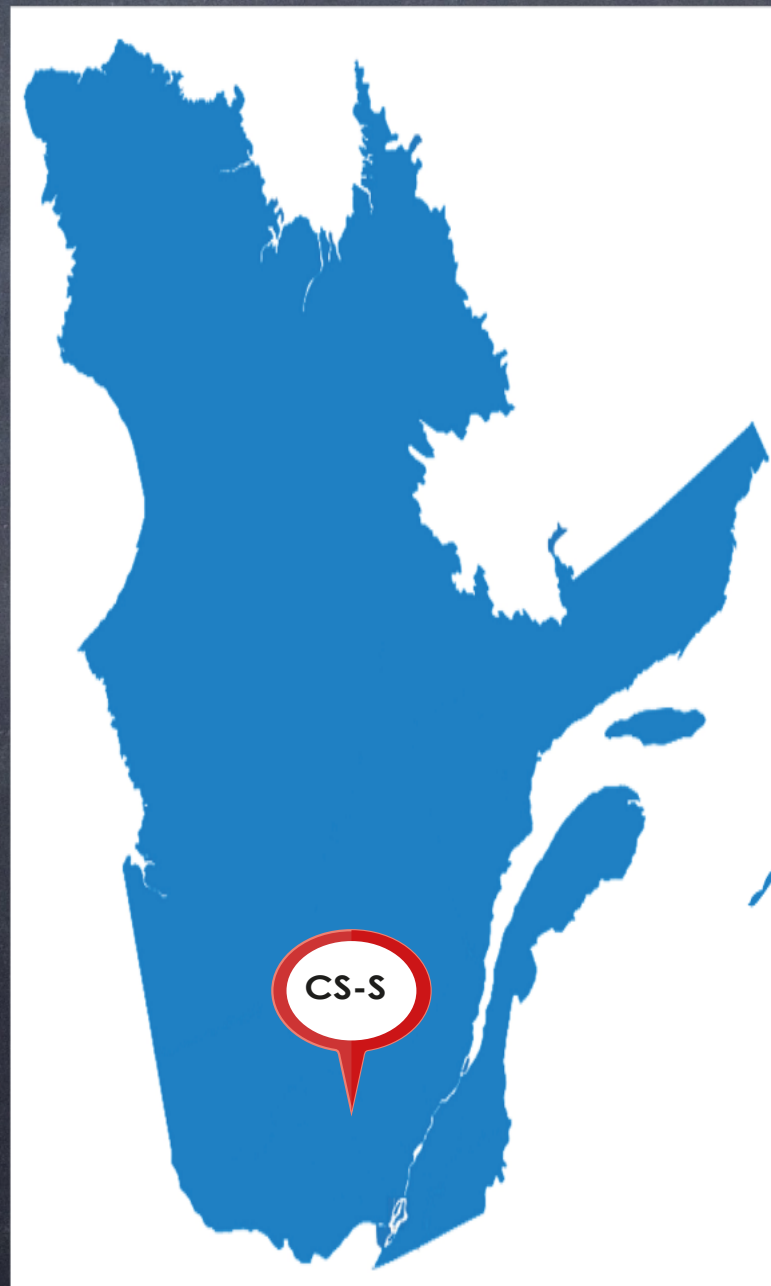

I need to understand What can we do to help animals in danger of extinction?

CS-CS

Teachers Julie Turcotte
and Mireille Gauthier
Rives-du-Saguenay School Board

Time for
questions!

« Putting our knowledge
together »

What did you learn from
working with students from
another country?

« Putting our knowledge
together »

How meeting an expert
contributed to your
knowledge building
experience?

Thank you!

See you next Friday (June 6th)
